The Trustees regularly review the level of reserves held by the Trust, and are satisfied that these are kept at an acceptable level to ensure that the Trust continues to operate effectively.

Independent Examination

In accordance with PACT's original Declaration of Trust the trustees confirm that, as the Trust's annual turnover is less than £250,000 and Independent Examination is required.

Review of Activities - Year Ending 31st March 2010

During the past year PACT has continued to make a valuable and effective contribution towards improving community safety and social cohesion within communities throughout North Wales.

Neighbourhood Policing Teams and organisations who have direct involvement in promoting community safety have benefited through the distribution of over £34,000 of PACT funding during the past year.

This financial support has enabled hundreds of projects and initiatives to take place, many of which would not have come to fruition without the funding provided by PACT and the Police Property Act Fund. All applications are assessed and evaluated with great care and with transparency prior to a decision being made in relation to the granting of funding.

The projects supported have reflected a wide and diverse spectrum of topics and interest groups, including the young, elderly, disabled, and hard to reach groups.

During the year PACT trustees and administrators developed the evaluation process to help gauge the effectiveness of funded projects. In the long term this strategy will ensure that funding is being used in the optimum way.

PACT administration staff continue to ensure that funded projects are compatible with North Wales Police objectives and also meet the core charitable objectives of the charity, namely:-

- Promotion of an enhanced quality of life through the prevention and reduction of crime and the fear of crime and the protection of people and property from criminal activity.
- Promote education of drug and alcohol abuse to reduce crime.
- Promote road safety as an integral part of life of the communities of North Wales.

The Board of Trustees are committed to these objectives and this is reflected in the continued development and success of PACT during the past year.

North Wales Police Authority (Police Property Act Fund)

Since 2007 the Police Authority has delegated the management of this Fund to our Trustees who sit three times a year to discuss bids from officers and community groups.

In line with the Authority's original brief of supporting community safety initiatives, our Trustees have been able to direct this core funding to enhance the work of PACT.

A major part of this has been the ability to utilise this money to attract and encourage matched-funding. Since 2007 we have been able to access in the region of £60,000 of match-funding.

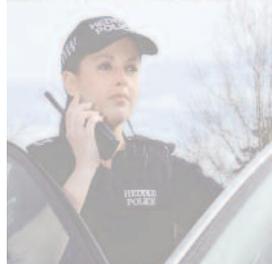

The Trustees would once again, wish to thank the members of the Authority for their support of PACT, and for the Police Authority's continued involvement on the Board of Trustees.

During the course of this year PACT has received £21,123 from the NWPA, of which £11,123 was received at the very end of the financial year that will support bids in the forthcoming year.

It is important to note that the management of the NWPA has enabled PACT to leverage monies from other funders to support projects such as those listed below, the Neighbourhood Police Team Small Grants Funds and supported our bid to the Office of Criminal Justice Reform for our "Justice in a day" project.

Neighbourhood Police Teams Small Grant Fund

Supported by the NWPA monies this fund has, without doubt, been an overwhelming success story for PACT with over £110,000 being granted to Community Beat Managers and Police Community Support Officers across north Wales since 2003.

Review of Activities - Year Ending 31st March 2010

This Fund is extremely popular fund with Neighbourhood Policing Teams and has proved to be a valuable tool for them to support local community groups with small grants that this year total in excess of £9,000.

A particular benefit of this fund has been the ability for CBMs and PCSOs to utilise the funding to approach other organisations for match-funding opportunities.

Collaboration between PACT and the North Wales Arson Reduction Team

PACT would also like to acknowledge the support received through the Arson Small Grant Fund which has enabled PACT to support Neighbourhood Policing Teams funding

environmental action days, information days such as Operation Cinnamon in Wrexham, road safety initiatives and other engagement opportunities.

During the period under review the partnership between PACT and ART resulted in another new and innovative funding stream which enabled over forty initiatives and projects to come to fruition in the weeks leading up to the Halloween and Bonfire night period in November.

The initiatives which took place across North Wales were primarily intended to reduce casualties, lower incidents of anti social behaviour and reduce demand on the emergency services which historically has always been extremely high during this period.

This funding stream was managed by PACT and provided £ 6,486 of grants.

Statistical analysis of the level of demand on the emergency services throughout North Wales during the 2009 Halloween and Bonfire Night period provided clear evidence that this PACT targeted strategy was successful.

In addition to this a further £4,000 grant was received from the Welsh Assembly Government.

Crimebeat

In 2003 PACT supported the High Sheriffs of Gwynedd and Clwyd in building their Crimebeat Fund. To date the High Sheriffs have raised in excess of £100,000 which has been invested in over 200 young people's projects throughout North Wales.

This year Crimebeat grants made has meant that projects ranging from road safety education, healthy living, farm watch schemes, cyber-bullying, intergenerational schemes, and many others have taken place empowering and encouraging young people to get involved and provide a positive contribution to their local community.

A major feature of the High Sheriffs year is their Annual Crimebeat Awards Ceremonies, which have been held in the Crown Courts of Caernarfon and Mold since 2005.

This year a number of groups were recognised, including young people who are members of the Explorer Scouts at Holyhead, and drama students from Llandrillo College who have developed a drama on the subject of personal safety which was performed at a large number of primary schools throughout the counties of Denbighshire and Conwy.

The awards ceremonies now include presenting 'High Sheriffs Community Service Certificates' to acknowledge the excellent work undertaken by members of Neighbourhood Policing Teams. Forty members of North Wales Police received certificates from the High Sheriffs during the two ceremonies.

GwirVol Funding

This year we have been successful in receiving two grants from the GwirVol fund.

Firstly, £10,000 to support a youth volunteering project in Abergele, Pensarn and Kinmel Bay. This project, which is currently in progress, is working with Abergele Youth Action to develop an intergenerational project that will get young people involved in local community events and help break down possible perceived barriers between young and old.

The project will ultimately be showcased by the young people involved at a celebratory event to be held later in 2010.

Secondly, a grant of £3,600 to promote the volunteering opportunities and work on the North Wales Police Volunteer Cadets has been secured and work on this will begin later in the year.

Review of Activities - Year Ending 31st March 2010

Community Cashback

Towards the end of the financial year 2009/10 PACT received a grant of £23,450 from the Office of Criminal Justice Reform to develop our project - "Justice in a Day".

This project will be developed and run later this year in partnership with Theatre Clwyd. Aimed at Year 9 secondary school pupils and those on the cusp of offending, the project will be an inter-active drama looking at the causes and consequences of criminal behaviour on both the offender and the victim (and their families).

In addition to working in partnership with a nationally renowned local theatre company this funding has also leveraged support from Ifor Williams Trailers Ltd.

This funding of £23,450 remains in PACT's restricted reserves until the project comes to fruition later in 2010.

Conclusion

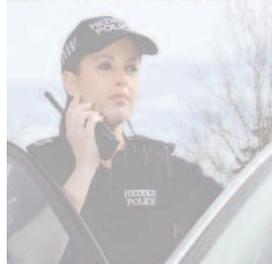

In addition to grant funding PACT has also been able to support other initiatives in an advisory capacity including the inaugural High Sheriff's Cadet Challenge, Business in the Community initiatives, and the annual Criminal Justice Board Volunteer for Justice Awards.

This has been another exciting year in the development of PACT and 2010/11 already promises to bring new opportunities. The Trustees would like to thank the North Wales Police Authority for its continued support, together with the High Sheriffs of Clwyd and Gwynedd and the many other organisations that have supported PACT throughout the year both financially and with in-kind support.

This year was tinged with great sadness as our patron, Michael Griffith CBE, DL passed away in 2009.

Michael was a great and active supporter of PACT throughout the past 10 years and his knowledge and advice was always gratefully received by the trustees and administrators.

The Trustees would like to take this opportunity to offer their sincere condolences to his family.

Statement of Trustees' Responsibilities

The trustees are required to prepare financial statements for each financial period which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year. In preparing these financial statements they are required to follow best practice and:-

- select suitable accounting policies and apply them consistently;
- make reasonable and prudent judgements and estimates;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ascertain the financial position of the charity and which enable them to comply with the Charities Act 1993, the Charity (Accounts and Reports) Regulations and the provisions of the Trust Deed. The trustees are responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report on the accounts of the North Wales Police and Community Trust charity for the year ended 31 March 2010, which are set out on pages 10 to 15.

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts; you consider that the audit requirement of section 43(2) of the Charities Act 1993 (the Act) does not apply. My examination was carried out in accordance with the General Directions given by the Charity

Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

Independent examiner's statements

In connection with my examination, no matter has come to my attention:

- 1) which gives me reasonable cause to believe that in any material respect the requirements
- to keep accounting records in accordance with section 41 of the Act; and

- to prepare accounts which accord with the accounting records and to comply with the accounting requirements of the Act

have not been met; or

- 2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
